GM Stamping Plant Reuse Commission

- Primary goal for the GM Stamping Plant site is to find another industrial user that will create jobs
- As a backup plan, the City created the GM Stamping Plant Reuse Commission – a task force of national experts who will study the site and develop a plan to spur economic development in the area.
 - Former Mayor William H. Hudnut will chair the Commission
 - Members will be independent, national experts from the Urban Land Institute (ULI)
 - During the summer of 2011, the Commission will hold a week-long series of public and private meetings; conduct tours; and talk to local redevelopment experts and stakeholders.

CSO Consent Decree Modification

Cover Story: *Engineering News Record (ENR)* featured the Indianapolis CSO Consent Decree Modification in its February 14th issue.

As the **first city in the nation** to modify a CSO consent decree through better efficiencies and cost savings, Indianapolis is emerging as a national model. Modifications will allow Indy to:

- **Save \$740 million** and shave years off the work
- Capture and treat an additional **1 billion gallons** of raw sewage
- Improve management of flows between treatment plants
- Save approximately **\$30 million** by eliminating a pumping station.
- Limit problems with utilities and groundwater

IndyGo Update

Indianapolis
Mayor Gregory A. Ballard

Bus Ridership Up in 2010

IndyGo ridership showed an upward trend when compared to 2009. The company delivered 8,507,644 passenger trips in 2010, a 3.6 percent increase over the previous year.

New Buses

IndyGo recently purchased 22 new buses (11 standard and 11 hybrid).

Bus Stop Amenities

IndyGo can install a number of amenities at its bus stops, including benches, bike racks, solar lights, shelters and concrete pads. In 2010, IndyGo added solar shelter lights at:

- Madison and Manual High School (inbound)
- Virginia and Woodland (inbound)
- Shelby and Morris (inbound and outbound)

Adopt-A-Stop

The Adopt-A-Stop program helps keep litter off the streets and IndyGo stops clean. Individuals, businesses and communities can participate in the program.

Mr. and Mrs. Ken Miller have already adopted a stop in this area (Washington and South Elder St.)

Citizen Request / City's Response

Question from our last South Center Region Mayor's Night Out:

"I have lived next to an alley for 36 years. It has not had any repair in that time. [Deep ruts]. When will the city repair/repave this alley?"

City's Response:

Almost all of the alleys in Twin Aire were addressed this past fall, including the alley next to this citizen's house. In total, 22 alleys in the Fountain Square area received much needed repairs.

Citizen Request / City's Response

Question from our last South Center Region Mayor's Night Out:

"When can we have street light put back up on Pleasant Run N. Drive? It was hit 2 weeks ago."

City's Response:

This light was replaced within a month of the MNO and now provides security for the neighborhood.
